International Students Admission Handbook

ABOUT CHINA JILIANG UNIVERSITY

China Jiliang University (CJLU) is a comprehensive university with 52 undergraduate programs and 25 post-graduate programs. Also, it is the only university in the world dedicated to metrology, standardization, quality supervision, inspection and quarantine.

CJLU sticks to the motto of “Developing National Economy by Metrology; Improving People’s Livelihood through Measurement” and the educational philosophy of “Metrology as University’s Cornerstone, Standards as its Code of Conduct, and Quality as its Career Goal”. According to the statistics of the Scientific Evaluation of China Research Center, CJLU ranked No.176 in China University General Competitiveness Ranking and No. 90 in China University Science and Technology Innovation Competitiveness Rankings in 2017.

CJLU is located in the picturesque city of Hangzhou, covering an area of 102.27 hectares. CJLU has 18 colleges (departments) and one independent college. With 15,121 undergraduates and 1,653 postgraduates studying full time on campus, and 5,613 undergraduates in the independent college. CJLU has a faculty of more than 1,300, among whom 694 teachers are with senior professional titles and 90.3% with master's degrees.

CJLU has 2 shared academicians of Chinese Academy of Engineering, 2 teachers selected in the State Thousand Talents Program, 1 winner of the National Science Fund for Outstanding Youths, 3 teachers selected in the State New Century Talents Project, 3 teachers selected in the Cross (New) Century Outstanding Talents Program, 3 Super Experts of Zhejiang Province, 6 teachers selected in the Thousand Talents Program of Zhejiang Province, 6 Distinguished Professors of Zhejiang Province and 6 Master Teachers of Zhejiang Province. The University won the second prize for National Technology Invention Award, the second prize for National Teaching Achievements Award, the first prize for Outstanding Achievements Award in Scientific Research of the Ministry of Education, the second prize for Outstanding Achievements Award in Humanities and Social Sciences, and the sole Inaugural ISO Award for Higher Education in Standardization in 2007.

CJLU enrolls students nationwide, including first-tier students from 31 provinces, municipalities and autonomous regions to ensure high quality of enrollment. In the latest 5 years, the average employment rate of its graduates reached 97.11%, ranking high among all universities in Zhejiang Province. CJLU has established partnership with 48 universities and research institutes in such countries as the United States, the United Kingdom, Germany, France, Canada, Japan, the Republic of Korea, Australia and New Zealand.

COLLEGES & MAJORS

College of Mechanical and Electrical Engineering

- Automation
- Mechanical Design Manufacture and Automation
- Mechatronic Engineering
- Electrical Engineering and its Automatio

College of Information Engineering

- Electronic Information Engineering
- Communication
- Computer Science and Technology
- Computer Science and Technology(Sino-foreign Program)
- Biomedical Engineering
- IT Service Science

College of Quality and Safety Engineering

- Quality management engineering (undergraduate)
- Industrial & System Engineering
- Safty Engineering (undergraduate)
- Environmental Engineering (undergraduate)

College of Metrology and Measurement Engineering

- Measurement and Control technology and Instrument
- Energy and Power Engineering
- Engineering Mechanics

Law School (Intellectual Property School)

- Law
- Intellectual Property Law

College of Art and Communication

- Industrial Design
- Advertising
- Visual Communication
- Environmental Design
- Product Design
- Public Art

College of Standardization

- Standardization Engineering

College of Economics and Management

- Financial Engineering (Sino-foreign Program)
- Business Administration
- International Economics and Trade
- Financial Management
- Financial Engineering
- Marketing
- Information Management and Information System

College of Sciences

- Mathematics and Applied Mathematics
- Information and Computing Science
- Applied Physics
- Acoustics

College of Materials Science and Engineering

- Material Chemistry
- Functional Materials
- Material Science and Engineering

College of Life Sciences

- Bioengineering
- Food Quality and Safety
- Biotechnology
- Pharmacy
- Animal and Plant Quarantine

College of Humanities and Foreign Languages

- English Language and Literature
- Teaching Chinese to Speakers of Other Languages(TCSOL)
- Translation and Interpreting
- Chinese Language and Literature
- Public Affairs Management

College of Optical and Electronic Technology

- Optoelectronic Information Science and Engineering
- Electronic Science and Technology

PROGRAMS INSTRUCTED IN ENGLISH

There are 6 bachelor-degree programs instructed in English and 1 non-degree program.

6 bachelor-degree programs instructed in English:

- Business Administration
- International Economics and Trade
- Mechanical Design & Manufacturing and Its Automation
- Computer Science and Technology
- Mechatronic Engineering
- Communication Engineering

1 non-degree program:

- Chinese Language

Notes: We also have a lot of Programs instructed in Chinese, all of which are open to international students.

APPLICATION DOCUMENTS

Application documents for these who have never studied in China before:

1. CJLU application form
2. One passport copy
3. One copy of the highest degree certificate in English or Chinese
4. One copy of the transcripts of the academic performance during their secondary school and senior high school
5. The official statement of no criminal recording
6. Certificate of English or Chinese proficiency

Application documents for these who have studied in China before:

Addition to the documents above, students who have ever been studying in China before should also prepare the following documents:

1. JWs of the previous universities
 2. The certificates and transcripts of their academic performance at their previous universities/schools/institutes in China
 3. The copy of the X visa or Residence Permission Page from Chinese embassies
 4. Transfer letters from their previous universities/schools/institutes in China if the students transfer from other universities/schools/institutes
 5. Physical reports
-
