# A Brief Introduction to China Jiliang University

**China Jiliang University (CJLU) is a university distinctive for its metrology, standards, quality, market regulation, inspection and quarantine.** Its predecessor is Hangzhou Metrology School established by the State Metrology Bureau of China in 1978. CJLU has been jointly supported by the People's Government of Zhejiang Province and the State Administration for Market Regulation of China since 2017.

CJLU offers master's degrees in 15 Category I disciplines and 10 professional disciplines, 54 bachelor programs for Chinese students and 15 undergraduate programs for international students. CJLU has 18 colleges (departments) in Hangzhou and one affiliated College of Modern Science and Technology in Yiwu City, the World's Capital of Small Commodities. There are over 15,000 full-time undergraduates and over 1,950 full-time postgraduates at CJLU; and there are over 5,700 undergraduates at its College of Modern Science and Technology.

CJLU has made great efforts to promote its internationalization by establishing partnership with universities and research institutes in over 30 countries such as the United States, the United Kingdom, New Zealand, Germany, France, the Czech Republic, Australia, and Canada for joint programs of doctoral, master's and bachelor's degrees. CJLU has established two joint collaborative undergraduate programs with Auckland University of Technology in New Zealand and Anglia Ruskin University in the United Kingdom, and co-established the Confucius Institute at University of Finance and Administration (VSFS) in Prague, the Czech Republic.

## Why China Jiliang University?

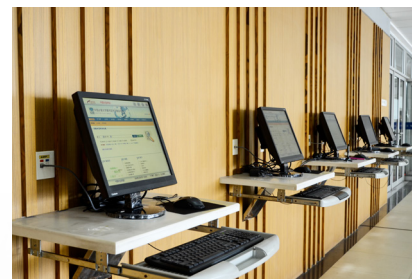

- 1** CJLU has over 1,300 full-time faculty members, among whom nearly 700 hold senior professional and technical positions, and 70% have earned doctoral degrees.
- 2** The CJLU disciplines of engineering, chemistry and materials science are among the top 1% of ESI global rankings.
- 3** In the past five years, the average preliminary employment rate of its graduates reached 97.02%
- 4** CJLU was selected among the Top 50 Universities with Typical Experiences of Innovation and Entrepreneurship in China in 2017.
- 5** CJLU boasts 4 National Featured Specialties, 2 National Pilot Specialties of Comprehensive Reform, 20 Superior and Featured Specialties of Zhejiang Province, 7 specialties with National Engineering Education Certification.
- 6** CJLU is home to high-level training bases for professional talents such as ISO International Standardization Training Base (Hangzhou), International Organization of Legal Metrology Training Center (Hangzhou Base), National Intellectual Property (Zhejiang) Training Base, Education Training Base of China Certification and Accreditation Association, and Talent Training Base for International Standardization of Standardization Administration of the People's Republic of China.

15	Biopharmaceutics	9,000

## Note:

The majors with \* are the most popular majors among international students over the years.

# Non-degree Program for International Students

This program is designed for international students who want to study Chinese for a long time, usually from 1 semester to 2 years. The tuition of this program is 7,000 RMB/Semester.

The Chinese Language courses are student-centered and aim to stimulate students' learning initiative. Meanwhile, to make learning Chinese more attractive, our courses are combined with some traditional Chinese culture elements, such as calligraphy, Taiji (shadow boxing), Peking Opera and so on.

CJLU was designated by the Central Government as a testing site of Chinese proficiency, HSK, and as a testing site of the Certificate of Chinese Language Instructor for International Students. A large number of international students coming from different universities get together at CJLU to have HSK tests every month.
